Dear Sir/Madam,

I would like to apply for part time work at Captain Americas. I am currently studying a Masters degree at UCC and would like to take some part time work to help fund my studies.

I have experience as a kitchen porter in a restaurant in Sligo, and managed a hostel, also in Sligo.

Although it's a few years since my last job in the hospitality industry, I am a quick learner and think I could fit the team at Captain Americas.

Please let me know if you have anything suitable.

Best regards,

Peter Armstrong
